

**Cat 5 RJ45 Network Plugs NIU**  
**Conector de Red RJ45 Cat 5 NIU**  
**MODEL/MODELO NW5100**

**Category 5e Connector**

Required for data network cables, ideal for interior and Cat 5 / 5e cable.

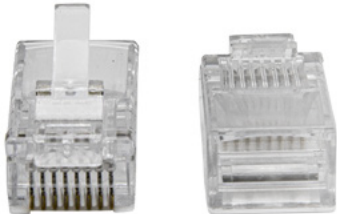

**8 contacts with 50 micron gold bath**

Made of high quality polycarbonate, 8 contacts with 50 micron gold bath.

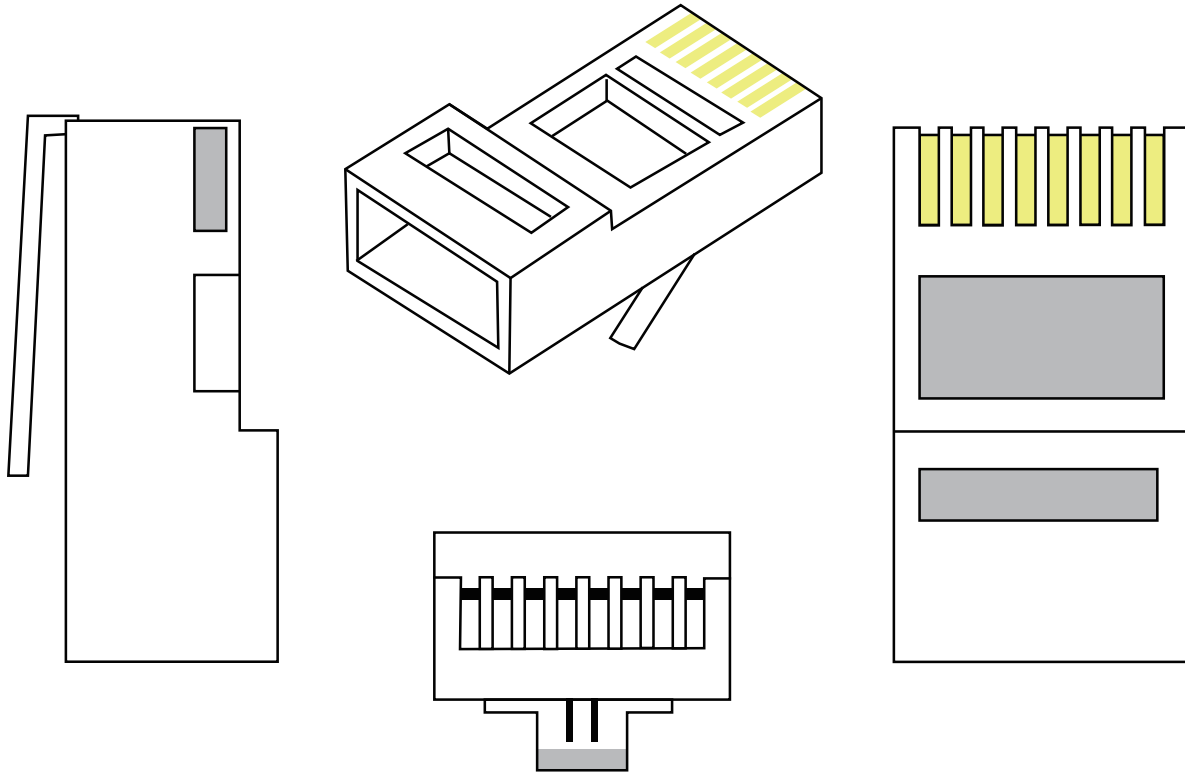

**Speed Up to 1Gbps**

Modular male connector for twisted pair UTP or FTP cable, able to transmit up to 1Gbps. The connector has a flexible kink protection, retaining catch and lever. The cable has double shielding S/FTP and is therefore particularly resistant to interferences and noise.
