Qian Barcode Scanner Tiaoma, Wireless

| 1D | Plug And Play | USB | Base | Wireless |

Features

The Tiaoma QLCW1701 Barcode Scanner from Qian is the perfect solution in barcode-scanning technology. Complete with 1D Barcode compatibility, and a wireless transmission distance of up to 160 ft, it will allow your workflow to truly flow.

Ease-of-Use

Activate its continuous scan mode for simple, easy to use hands-free auto-scanning that won't require any trigger presses or follow the included instructions to set up hands-free scanning operation.

Plug And Play

No need to install any software or app, simply plug and use away. Its wireless range goes up to 160ft in wide, unobstructed spaces. Includes a stand to hold the scanner while not in use.

DATA SHEET (QLCW1701)
